“ Charlie, you have shown me and so many others what it's like to have a true, and honest friend that doesn't just come around every corner.

Even though you were taken from this Earth way too soon, it didn't stop you from leaving a lasting, positive impression on every person who ever got the pleasure of meeting you and didn't let anyone's negativity bring you down or affect the short time that we were blessed to get to spend with you. You've shown so many, so much, and just because that's the kind of person that you were. You didn't judge others because of the way they looked, what they did, or what anybody else thought about them because you knew that no one is perfect, but everyone still deserved to be treated with kindness, forgiveness and shown compassion. I am very blessed to have had you in my life and will always keep you dear to my heart now and forever!! You will be sorely missed by all who knew you and I will always love you bunches and bunches!! With a heavy and sad heart I will miss you always!!

😞 Sincerely❤️,
Crystal
