

Clyde Eugene McClellan

February 27, 1949 - May 21, 2023

Clyde Eugene McClellan, a resident of Willow Springs, MO passed away at his home Sunday, May 21, 2023. He was born February 27, 1949, in Willow Springs, MO to Clyde and Winifred (Devore) McClellan and was 74 years old.

Clyde graduated from Willow Springs High School and spent his whole life in the town that he loved. He began work on the family dairy farm as just a youngster helping his father and then eventually took over the dairy operation. Eventually, he got tired of the demands that came with running a dairy and decided to just raise beef cattle. Besides farming, he also was an electrician and helped many folks in the community with their electrical needs. Through all his time working he gained an exceptional work ethic that he loved to pass along to others. He attended Pomona Christian Church every Sunday in person or online. In his free time, Clyde enjoyed getting out and enjoying life. He loved to travel all over, ride four-wheelers, explore the countryside, and most importantly spend time with his family. He will be greatly missed by all who loved and knew him.

Clyde was preceded in death by his parents, Clyde and Winifred.

Clyde is survived by his children, Stephen McClellan, Rebekah Pounds, and Jeremy McClellan, and his grandchildren, Georgia McClellan, Clayton McClellan, Josiah Pounds, Abbigail Pounds, Saydie McClellan, and Jaycob

McClellan.

The family requests any donations or memorials be made out in Clyde's name to the Willow Springs FFA.

A memorial service for Clyde McClellan will be held Tuesday, May 30, 2023, at 10:00 A.M. at Willow Funeral Home, LLC. With Pastor John Bingham officiating.

Arrangements are under the direction of Willow Funeral Home, LLC. Online condolences may be left at www.willowspringsfuneralhome.com

“ *Dear cousins, we were deeply saddened by the news of our cousin, Gene. We always loved spending time at the farm. Jen and I would get to go down and spend part of the the summer with Grandma DeVore. When she got tired of us, she'd send us to aunt Winnie's house which Gene made a blast. It:s where we first learned how to milk a cow, first Pepsi float, we would all get into the porch swing and he made it go fast, it's a wonder the porch swing didn't break apart. So many treasured memories down there. We loved him so much, he'll be deeply missed*
Some of us will try and make it to the funeral, Love, your cousin Jan and her husband Tim - so sorry for your loss

“Dad loved life, nature, and getting together with friends and family. He instilled in us a strong work ethic that has followed us to this day. He loved working on the farm, always said he didn't know what else he would do. Even when complaining about a stubborn cow that ran thru a fence. I miss our talks and texts. You always knew where you stood with him. I even miss his, “now sonny you need to stop working so much speeches.” I don't know where I got that from, he was 74 and still chasing cows. Thru all the ups and downs he was a great man and dad. He will be missed. Love you Dad

“Gene was such a wonderful cousin, whether teasing his younger cousins, camping out together in Branson, taking a Victory Ship cruise together, or visiting us in Arizona we always had a great time. I will miss our phone calls and texts but will see him again one day around the throne. What a celebration is taking place right now with Gene and the family members who have gone before!

“ *Gene was always happy to help with a smile on his face. He drove children to school and loved everyone of those children with his whole heart. My children were blessed to know him. The world is a dimmer without his contagious smile, but Heaven gained a beautiful soul.*
