“ I am so sorry Cody for the loss of your brother, to your parents for the loss of their son and to your grandmother Jo for the loss of her grandson. When Bette and I visit from MA it won't be the same with a piece of your family missing. My heartfelt sympathy to each of you and especially to Dalton's two sons who are now without a father. You are all in my prayers to keep strong and remember that he is with God.

“ I grow up with Dalton and Cody we spent are summer at Paul and Cathy's river place. Brandon and I always set up a fist fight on the 4 of July when cousin Dave came down, Dalton was never afraid no matter if it was hauling hay or a freshman trying to take a senior down knowing the outcome for him was bad. I will miss running into you on the gravel road and catching up. Rest in peace

“ Sad to hear of Daltons passing today. I only spent a day with my cousins Dalton and Cody. They came up here to Massachusetts with there grandmother who we call aunt Jo for a visit. I took Dalton Cody and my daughter Courtney to a huge rock ledge called Crows Hill to climb. When you reach the top you can see for miles. After that we stopped at Mcdonalds for lunch. When i wasnt looking Dalton was probably 12 yrs old or so he came back from the counter with 4 ice cream cones for all of us. I remember to this day thinking what a nice kid. It was a small selfless act but he made a huge impression on me. That i couldnt have been prouder to have met such nice cousins. Randy Jendrzejewski
