“ I just heard that that the Liberty High School community lost another fabulous teacher (Clara Brake), and I realized that I did not leave my condolences here for the family of Mr. Nevergall, another of my favorites. He was such a great teacher and loving soul, which is why I asked him to introduce me for my presentation at graduation. I know it has been six months since his passing, but I wanted to leave a note to recognize his contribution to my education. He was a great teacher and person, and he will be so missed. I hope both he and Mrs. Brake are laughing and sharing stories right now.

“ Mr Nevergall was my very favorite teacher at Cabool High school. He made math fun. I had him as a teacher for 4 years. I still think of him and am sorry to hear of his passing.
