

Mr. Donald "Don" Lee Turner

May 14, 1933 - October 13, 2020

Donald "Don" Lee Turner, a resident of Willow Springs, passed away Tuesday, October 13, 2020 while at Ozarks Medical Center in West Plains, MO. Don was born on Mother's Day, May 14, 1933, the first born child of Homer Lee and Lilian Josephine (Cover) Turner in Willow Springs.

Don grew up in the Dry Creek area and attended the local schools. He graduated from Willow Springs High School with the Class of 1951. In 1953, he was drafted into the U.S. Army and proudly served his country during the Korean War. After he was honorably discharged, he lived and worked in Kansas City and later moved to Southern California where he would meet his future wife, Marlene. He and Marlene Ann Casper were married May 19, 1973 in Las Vegas, NV. They moved back to Missouri in 1974 where he was employed by the local school board as a bus driver for more than 20 years. Later he was the maintenance supervisor at Sunshine Village senior housing for many years. He was probably best known for his work with the Willow Springs Fire Department, serving the community for 44 years, and was Fire Chief for one year. He also served as President of the Willow Springs Ambulance Board for several years. When Don was not at work, he loved tending the grounds on his property which involved mowing and weed eating and kept them immaculate. He also liked to raise vegetables in his garden. Don was a very social person and enjoyed coming to Willow and visiting. It has been said he would attend every fish fry in town. He will be dearly missed

by his family, his friends, and all who knew him.

Don is preceded in death by his parents; his sister Byma Stotler; and stepchildren: Tom Casper and Julie May.

He is survived by his wife, Marlene; his daughter, Dawn Nolte of Pt. Orange, FL; two sons: Geoff Casper and his wife, Robin of Mtn. Grove, MO, and David Turner of Downey, CA; two sisters: Connie Nall (Bob) and Glenda Turner; three brothers: Dwaine Turner (Louena), Gale Turner (Barbara), and Van Turner (Theresa). He is further survived by 5 grandchildren, 5 great-grandchildren, and numerous nieces and nephews.

In lieu of flowers the family requests donations in Don's memory be made to St. Jude Children's Research Hospital and they may be left at the funeral home.

“ My brother, Don-Don, as I sometimes called him, was and will always be my big-hearted big brother. He was kind and was always volunteering to be of service. As only one example of his kind heart, he frequently visited my Aunt Hope for years when she lived in senior housing in Willow Springs. He would knock on her door and “hide” from her. Of course, she knew it was Don, but she enjoyed “getting after him” for it, and they both enjoyed the laughter. He made sure she had everything she needed. He did the same when she moved to Willow Care, visiting her often along with Marlene. Aunt Hope lived almost 100 years, and Don and Marlene enriched those years. Don learned how to Skype. When I moved to California, he Skyped me pretty much once a week to keep me up to date with the latest news. When I was sick a few months ago, he Skyped more often and said, “Do you feel as bad as you look?” Of course, that made me laugh and made me feel better. Don loved good food, and bragged about Marlene’s cooking. Well, maybe I got that wrong. :>) He loved Marlene so much AND her cooking in spite of what he said. I think his favorite was my sister’s biscuits and gravy. When I had the privilege of having that breakfast without him, I would send him a picture and talk about how awful it was. Turn-about is fair play. I miss him so much. Everyone comments about the twinkle in his eye. I feel that twinkle now. He will always be close and always be special. Sending my love to Marlene and Geoff, and all of the family.

How does one condense a lifetime into a few short paragraphs when compiling an obituary of an awesome man? I apologize for my "brain fog" as I omitted the fact that Don devoted many hours working at Munch even giving up his Saturday mornings to do so. Please support Munch in any manner you choose as we did over the years.
