“ Hi Jimmy and Charlie, I just found the link to your Mom's obit in my email. (December 12, 2023!) She was a dear friend. We used to run around together a lot after I had to quit driving. We had "girls day out" every week for a long time. We shared plants from our gardens, and did a lot of things together. God bless and keep you.

Gloria was my best friend when we were both in our early teens. She lived in Lake Worth in the country and I in Lake Worth, the city. After school I would tide the school bus home with her and then enjoyed her mother's good old country cooking and then I got to ride on her Tennessee walking horse mare with her. My Papa allowed me to spend one whole summer with her and we really enjoyed it. Gloria was a quiet, competent person and I have always missed her. Fly with the Angels Hon and settle at Jesus's feet. He will take care of you. Miss you lots!

“ Gloria was a friend of mine during my high school years. I would go to her house after school and on weekends to ride her horses with her and eat her mother's wonderful Southern cooking. They had a small Cafe on the ground floor of where they lived. I just found out about her passing and I wish to give my condolences. I still live in Greenacres/Lake Worth where she also lived. May she RIP. She was a good friend.

“ Hi Jimmy and Charlie,

I really like your Mom. She was a very good friend, and we did a lot of running around together, grocery shopping, cleaning the church, picking pears from her trees in the fall, going to a yard sale now and then... I miss seeing her.
