“ I have a lifetime of memories.
Playing Jacks on the floor of her living room because it was too hot
to play outside when we were 4&5 years old.
Playing hopscotch in the middle of the dirt road in front of her
house.
Playing dodge ball and baseball in the same street.
Playing in and climbing "the oak tree".
Walking to and from Mendenhall Elementary every day.
All of the neighborhood kids playing hide and seek at dusk. My
brother and me
(Skipper and Sister).
Susie and Marie Williams, Sandy Sumner (Evelyn and Ivy's cousin).
How much I missed them when they went to England the first time.
Our Mom's making costumes so we could march in the Children's
Gasperilla parade.
And growing up and starting families and so much more.
I could write e a book of memories.
I cherish these memories and I love Ivy and all of her family so
much.
Aunt Gwen, I love you so much. You are like a second mother to
me. You are in my heart and prayers always.
