“ I posted earlier today but later remembered a specific story about Jerry and Tim. I graduated from college a couple years before them and was visiting my parents in SW MO on a weekend in Early, 1982 watching the MSSU basketball game televised on a local Joplin station. They showed the student section of the crowd on a bitterly cold night where the first two people I saw were Jerry and Tim dressed in Bermuda Shorts and Hawaiian Shirts. Laughed Out Loud.... Again, RIP Jerry!!! Brent
