“ Jimmy ... aka JJ was my craziest boyfriend ever. And even though we lost touch years ago I still have memories to last a life time ... one being the day while he was still trying to win me over for a date he spotted me driving my lit'le VW ... (that would have fit inside his big'ol Hudson) with my mother on Magnolia Ave. heading downtown, Jimmy was on the opposite side on the street ... headed in the opposite direction when he flipped a u-turn ... up and over the island lined with trees to ask me again for that date. My mother's first impression was a lasting one for sure. That was Jimmy ... Great times with that Crazy Great Guy ... that voice ... that smile ... oh to see and talk with you one more time. Rest in Piece Jimmy.

“ I have known jimmy since high school he was the kind of person that you meet and is a friend forever. That was jimmy we called him JJ. We lost touch for a while and I got his number from mutual friend and called him it was just like we had talked yesterday. I had the privilege of driving to the farm twice and see him he was really at home on the farm. He was watching his grandkid and loving life. He will be missed by me and all his Riverside friends. Rest in peace my brother you will always be in are hearts phil duke

Jimmy ... aka JJ was the crazies boyfriend I ever had. Although we lost touch years ago I have memories to last a life time. At the time we dated he drove a big'ol Hudson. The thing was huge ... I remember one time I was driving with my mother on Magnolia Ave. in Riverside headed downtown when he spotted me on the other side of the street headed in the other direction and he flipped a u turn up and over the island lined with trees to talk to stop me ... needless to say with that being my mother's first impression ... she was concerned. But of course Jimmy being the guy that he was he won her over. Great times with a great guy ... I have great memories ❤️ Rest In Peace Jimmy💔😭
