

Mrs. Karen Dale Nelson

October 5, 1938 - February 22, 2022

Karen Dale (Daniels) Nelson, 83, Willow Springs, passed away peacefully on Feb. 22, 2022.

She was born October 5, 1938, to Walter Lewis and Josephine Hope (Ralls) Daniels in Chicago, IL. She graduated from Culver-Stockton College in 1960, and married the love of her life, David Nelson, on August 19, 1960, in Mt. Prospect, IL. She began her teaching career in the Waynesville and St. James School districts before moving to Willow Springs in 1963. Known affectionately to many as “Mrs. Nelson,” Karen spent 35 years teaching first grade at Willow Springs Elementary. She was an amazing teacher who made a positive impact on many children with love, care, understanding, and discipline. Over the course of their 61 years of marriage, Karen and David enjoyed many worldwide travels, making trips to Mexico, Guatemala, Nicaragua, El Salvador, Colombia, Ecuador, Peru, Trinidad, Sweden, Denmark, Finland, Japan, China, Austria, Budapest, Russia, Canada, the Galapagos Islands, sailing all over the Caribbean, and traveling the entire United States, including 15 trips to Alaska. One of her favorite pastimes, however, was just sitting on her back porch watching the wildlife and birds in the yard. She also enjoyed reading, working jigsaw puzzles, and working with her flower gardens.

Preceded in death by her parents and grandson Brandon Talbert, Karen is survived by her husband, David, of the home in Willow Springs; three

daughters and sons-in-law, Katrina Hughes and husband Sheiston, of Pompano Beach, FL, Kristin Wood and husband Kevin, of Rolla, MO, and Korin Gulshen and husband Jim, of Fort Myers Beach, FL; three grandchildren, Brittany Neely and husband Ian, of Fair Grove, MO, Kendra Wood, of Rolla, MO, and Kameron Wood, of Burlington, KS; five great-grandchildren, Isaac, Aliviah, Hudson, Rebel, and Ryatt, as well as extended family. Her family was her greatest joy!

“ *After sixty plus years, it is hard to think of one special memory but I remember a time when we laughed so hard that we had tears running down our cheeks. A particular time was when we (David, Karen Jerry and I) boated up the Hudson River on the Teazer, docked, and then decided to find a restaurant for dinner. The restaurant sent a car to pick us up at the dock. It turned out to be a very tiny car and all four of us had to squeeze in along with the driver who drove very fast up a windy hill rocking us from side to side. It was very funny to all of us. By the way, the gorgonzola shrimp was outstanding.*

“ We didn't get to know Ms. Karen very well, but when we were planning our trip to Alaska, the Nelson's so graciously let us ask them at least a million questions! We met up with them at Copper River campground. So many adventures they had! That's how to do life.

“ My name is Charlene (Rakestraw) Piatt. I started my teaching career in Willow Springs teaching 3rd grade but I worked with Karen among several other elementary teachers. One story that I remembered was a little girl in Karen's room had been absent several days. Another little girl said to Mrs. Nelson that there were little worms in this little girls desk. So Karen went to investigate. The little girl had brought a dyed egg from Easter and had push it into the back of the desk. The egg had been there awhile and had rotted so you can imagine what the "little worms" were. She about lost her lunch. But she did clean out the desk and washed it out. I doubt the little girl missed her egg when she came back to school but probably wondered why her desk was so clean. Karen was my little brother's, John, 1st grade teacher. She was a great friend and helpful with advice for a beginning teacher even though I taught older kids. Eventually I got kids who had been in her room. She had a great laugh and a good sense of humor.
