“ Kurt was the kind of coworker one hopes for, kind, diligent and a quick learner. Sitting on a roof with him in Noel, Mo for 2 hours in the hot sun gave me insight to a solid character with a good sense of humor and levity. I'm glad to have known him and sad he has passed. May God give you healing and comfort

“ We are so sorry to hear this. I know that there is nothing we can say to lessen your pain, but we want you to know that we send our prayers and loving thoughts. Kurt was such a sweet boy and man! He was a blessing to have in third grade and to work with at the school. He would write me fictional stories about outer space that were so imaginative! Please remember that God is with you and will be your comforter in your quietest moments. Love you all!
