“ So sorry for your loss, I made friends with Lisa when we went to Vo-Tech together in the MID- 90's . Was at your house twice, after school we just drifted apart.. She was funny, onery, and a real clown.. Could make me laugh no matter what kind of mood I was in. She love her family I do know.I just had "to just meet " baby boy Gaven and her beautiful daughter,Stephine ...her Mom was there, never did meet Steve... Heaven gained a sweet Angel, when they called her home , Deepest sympathy and Prayers for all !

“ *I am so sorry to hear about Lisa. I knew Lisa when she was growing up. Her grandparents, L.O. and Easter Huitt were our pastors at First Christian Church and she was always at church. This is when she was a little girl and she was always smiling and such a sweet person. I haven't seen her in a long time. Just so young to be gone from this world in such a tragic accident. I pray that God will be with her family and give them comfort and strength.*

I too knew Lisa when she was a little girl and she was best friends with my middle daughter, Marcia . She was always with Mrs Huitt and seemed so happy. I pray for her family and hope that they can find comfort in knowing that God takes care of all hurt hearts and somehow we all heal and go on until our time to join others .. Lisa's parents are gone and I don't know how many children she has. God Bless all of them. 8-5-16
