“ I lived in Thayer, Mo while in the second grade with my grandparents Edith and Newt Pitchford. Marty and I played together a lot during my half year in Thayer. She was fun, kind and a friend I enjoyed spending time with. I did get to see Marty a few years ago as older adults. It was a very nice visit and I am glad I got to see her again. My sincere sympathy to her family for their loss of a very sweet person.

“ Martha, known as Marty to my family was a cousin to my mom, Virginia "Toots" Pitchford Range of Thayer, on Marty's mother's side. Mom use to love to visit with Marty. She was a sweet, honest lady.

“ *We live on the opposite end of the street. Marty will be so missed by us. She was so kind. Stopped up to check on Matt, hearing he had been ill, and brought our garbage can up when it was raining "because she was out." Always stopped as she was driving by when we were out in the front yard. Such a blessing to have had such a wonderful neighbor. Matt and Kathleen*
