“ Our hearts go out to your family for the loss of such a special person. There was never a time I met Glen that he didn't have a smile on his face. The world will be a sadder place without him. May God comfort you and bring you peace.

“ I am so sad to hear of Glen's passing. He was of the same nature as our Grandpa William S. (Pop) Hale. Both were kind and gentle souls.

“ *My Uncle Glen was a cheerful person to be around. He always made you feel welcome. I remember from years ago to now. Before i was old enough to drive a tractor. Uncle Glen would give us tractor rides. One time he took me up on the bluff so i could see a beautiful view of the Valley below. While we was sitting there i started to slide i guess i most of had slick bottom shoes on. I couldn't stop my self but My Uncle Glen caught me by the arm & pulled me back beside him. So what I'm trying to say is he saved my life. If he hadn't caught me i would have slid off of the bluff to the Valley below. I will always have my memories of My Uncle Glen. Junior Hale.*
