“ I havent seen or talked to Michael in a great number of years, as I moved out of the area over a decade ago. But I went to High School with Michael, and remember him for his sense of humor and contagious smile. I send my condolences to his family, and hope that the Lord sends you comfort and peace in this difficult time.

John 14:27

Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid.

“ *Michael was my best friend from the time we met. As kids we were always there and as adults we could always pick up where we left off each time life got in the way. I loved him fiercely as a best friend. This world lost a good soul. Always there to help others no matter what the cost to him. I love you my friend.*
