“ My deepest condolences in the loss of Mickey. Even though we hadn't spoken in nearly 30 years, I always considered Mickey as one of my best friends from High School. He was always ready with a quick smile or an encouraging word. Mickey was one of the best people I have ever met and consider myself blessed that he called me friend.

“ Mickey has been my salesman for many years and my friend. He was always very kind, sweet and friendly and he always had a smile. He always asked about my kids and Mickey cared. We have had several good talks and he always listened and he would have helped me or anybody's else any way he could have. In my book *Webtrol Pumps* will NEVER find any salesman out there that could come close to taking Mickey's place. He was the best. I will miss him very much and he will be missed from all of us at Shipman Pump Service.
