“ Was saddened to hear of the passing of Tommy. Tommy was very outgoing and willing to help anyone, no matter. He was always on the go and wouldn't quit until he finished the job, or his children were taken care of. His children and his family were most important to him. During our time working together I could always count on him and will miss his joking around. Keep the memories of Tommy close so he is always in your heart. He will be missed, Condolences to the Family. Rick Pliler

“ I met Tommy in Texas through his coworker about seven years ago. I've also seen him at work. All of his coworkers spoke very highly of him. He was a very kind person and always on the go. I'm so sorry for his loss.
