“Our Dad loved hunting, fishing, baseball, carpentry, and spending time with his family. Our fondest memories of Dad are of his smile, laughter, singing, and dancing with Mom. The love our parents shared for each other set an example of how we want to live our lives. He was a loving husband, father, son, brother, grandfather, and friend. His faith, love, strength, and determination were inspiring. All that we are or hope to be, we owe to our dad. He was truly our hero. Dad, we will miss you and you will always be in our hearts.”

“ I met Dennis when we were both employed at SRC-Willow Springs (later Sequel Corp.) as the very first employees. I had mostly lost contact with Dennis through the years, but got to become good friends with his family as we are all avid (or maybe rabid) Bear Nation fans. We have watched "our kids" grow up on the basketball courts. Jonah, my boy, I think of you as another nephew. Condolences to the entire family. God Bless.
