“ Ricky, your time on earth was too short. Your smile and antics were infectious. I am just the mom of one of the crew that all ran around together, but I consider everyone of you one of my own kids. My heart is broken, for Ricky, for his family and his friends. You will be forever remembered. I hope you have found your peace. Love you!

“ As a momma of a 19-year-old boy with long hair, an infectious smile, a heart filled with kindness (and a little sarcasm), a reputation for being a wicked awesome Dungeon Master and a love for Pearl Jam, my heart is breaking for you. I don't know you, and still I am holding space for you and keeping you in my heart and prayers.

“ I'll never forget you man. You got me and so many others through highschool and all the bs that came with it. You were so funny and always lit up the room with your jokes and monkey impressions. I remember one time during lunch when everyone gave you their beans because you were the only one who would eat them, and you had about 3 whole stacks of styrofoam bowls of beans like 2 feet high. I'm so sorry you felt like this was your only way out. You were so loved by so many, and you always will be. I love you man, and I'll see you on the other side. ☐
