“ Shirley was such a sweet person... always kind and always had a smile for you 😊
I remember when I was around seven or eight years old, her, Norman, and all the boys came over. We were all riding in the back of the pickup truck, and one of the boys grabbed a limb and it pulled him right out of the truck bed. Of course us little kids were laughing our butts off 🤪🤪 We were going mushroom hunting, and it's a memory I've never forgotten. RIP. Pam Davis

“ We didn't know "Grandma" long enough. She had a way of just making you feel like family as soon as you met her. We met her through her special granddaughter, Jennifer (Jerry). She will be missed.
